TERMS AND CONDITIONS: Topsoils Inc., doing business as United Recycling, agrees to set a container at your (customer) site, pick up container from the customer's site and recycle the materials at our recycling facility. For this service, it is agreed that the customer will pay per agreed terms. It is also agreed that the customer accepts full responsibility for any and all damage that is incurred to the container while it is in the possession of the customer. Customer also agrees to pay in full for any such damages. Customer agrees to hold United Recycling harmless for any damage or injuries that may occur to property, buildings, or persons as a result of a container being set at a customer's site. Customer also agrees that should either party bring an action to enforce any of the provisions of this agreement, or to recover damages for the breach hereof, the prevailing party will be entitled to recover all reasonable collection costs and/or attorneys fees and costs expended in connection with the action. Customer also agrees that United Recycling is providing for the improvement of real property and may lien the property pursuant to RCW 60.04.et.seq. In the event of default, United Recycling will add (35%) thirty five percent of _____ collection costs pursuant to RCW 19.16.250 (18). Collections will be held in Snohomish County judiciary system.

CONTAMINATED LOADS: United Recycling accepts only recyclable material including, but not limited to, construction, demolition, land clearing and yard debris. United Recycling will not transport household garbage, tires, treated wood, paints, oils, solvents, railroad ties, PCB's, asbestos materials, monitors, TV's or other items not deemed "recyclable". If these items are discovered in your container, we will ask you to remove them and/or your invoice will reflect a surcharge indicating the amount found.

DEMOLITION/RENOVATION: All projects that include the renovation or demolition of a structure require an asbestos survey and subsequent "clean air" permit from the Puget Sound Clean Air Agency. United Recycling does not haul asbestos laden material. Please refer to the Puget Sound Clean Air Agency's website at pscleanair.org for further clarification.
